STATEMENT PURSUANT TO 37 CFR §1.825(a)

Sir:

Pursuant to the attached notice received from the Patent and Trademark Office that the CRF diskette filed with the above-identified application contained an error that disrupts normal processing, applicant herewith submits an amended Sequence Listing.

Please substitute this amended Sequence Listing for the originally-filed Sequence Listing. The Sequence Listing and enclosed diskette contain the following amendments.

CERTIFICATE UNDER 37 CFR 1.8(a)

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail on the date indicated below in an envelope addressed to: Hon. Commissioner of Patents and Trademarks, Washington, DC 20231.

Signature Mary E. Bak
Date March 27, 1991

The application number, filing date and classification have been deleted. Applicants beleive an error has been made in the filing date granted to the application and are attempting to correct it with the Application Branch of the Patent and Trademark Office.

In addition, the publication information has been put into a format consistent with the requirements of §1.823.

These amendments present no substantive changes to the Sequence Listing as originally filed. No new matter has been added.

Respectfully submitted,

HOWSON AND HOWSON
